

# Finding Documentation for Cisco License Manager 1.0 on Windows XP

---

This document describes the documentation for the Cisco License Manager product, as well as the Software Development Kit (SDK).

The Cisco License Manager product is available at no cost from the Software Download site at Cisco.com or from <http://www.cisco.com/go/clm>. The SDK can be purchased separately.

This document describes:

- [Product Documentation, page 1](#)
- [Obtaining Documentation, page 3](#)

## Product Documentation

[Table 1](#) provides a brief summary of Cisco License Manager 1.0 documentation. For more details, see [Table 2 on page 2](#).

**Table 1** *Product Documentation*

Document	Product Download	On Cisco.com	SDK CD <sup>2</sup>
Finding Documentation roadmap	X	X	X
Release notes		X	
Getting Started guide <sup>1</sup>	X	X	
API Reference guide <sup>2</sup>			X
Online help	X		

1. We recommend you print the Getting Started guide before continuing with your installation. This guide is available as an Adobe Acrobat PDF file and requires Adobe Acrobat Reader 6.0 or later to view. (To download the Reader, go to the Adobe website.)
2. An API Reference guide in PDF format is shipped as part of the SDK package (which is ordered separately) and ships with its own CD. Licensing and warranty information for the SDK package appear in this guide.

We sometimes update the printed and electronic documentation after original publication. Therefore, you should also review the online documentation for any updates. Online documentation is available at the URLs listed in [Table 2](#). Or, from the Cisco.com home page, either:

- Select **Support > Documentation > Network Management > Other Network Management Products > Cisco License Manager > Cisco License Manager 1.0**.
- Select **Products and Services > Network Management > Other Network Management Products > Cisco License Manager > Cisco License Manager 1.0**.

[Table 2](#) describes the product documentation.

**Table 2** *Product Documentation Details*

## Obtaining Documentation

Cisco documentation and additional literature are available on Cisco.com. Cisco also provides several ways to obtain technical assistance and other technical resources. These sections explain how to obtain technical information from Cisco Systems.

### Cisco.com

You can access the most current Cisco documentation at this URL:

<http://www.cisco.com/techsupport>

You can access the Cisco website at this URL:

<http://www.cisco.com>

You can access international Cisco websites at this URL:

[http://www.cisco.com/public/countries\\_languages.shtml](http://www.cisco.com/public/countries_languages.shtml)

### Product Documentation DVD

Cisco documentation and additional literature are available in the Product Documentation DVD package, which may have shipped with your product. The Product Documentation DVD is updated regularly and may be more current than printed documentation.

The Product Documentation DVD is a comprehensive library of technical product documentation on portable media. The DVD enables you to access multiple versions of hardware and software installation, configuration, and command guides for Cisco products and to view technical documentation in HTML. With the DVD, you have access to the same documentation that is found on the Cisco website without being connected to the Internet. Certain products also have .pdf versions of the documentation available.

The Product Documentation DVD is available as a single unit or as a subscription. Registered Cisco.com users (Cisco direct customers) can order a Product Documentation DVD (product number DOC-DOCDVD=) from Cisco Marketplace at this URL:

<http://www.cisco.com/go/marketplace/>

### Ordering Documentation

Beginning June 30, 2005, registered Cisco.com users may order Cisco documentation at the Product Documentation Store in the Cisco Marketplace at this URL:

<http://www.cisco.com/go/marketplace/>

Nonregistered Cisco.com users can order technical documentation from 8:00 a.m. to 5:00 p.m. (0800 to 1700) PDT by calling 1 866 463-3487 in the United States and Canada, or elsewhere by calling 011 408 519-5055. You can also order documentation by e-mail at [tech-doc-store-mkpl@external.cisco.com](mailto:tech-doc-store-mkpl@external.cisco.com) or by fax at 1 408 519-5001 in the United States and Canada, or elsewhere at 011 408 519-5001.
